In the case of School Activities this form should be sent in as soon as you know that the match will have to be postponed (See Rule 10(f)), to enable us to give your opponents another fixture if possible. If you cannot give 14 days notice please state the date the boys/girls were informed by their school so that we can take the matter up with the Schools FA Representative.

When a fixture is postponed FOR ANY REASON this form must be sent to the Disciplinary Secretary WITHIN 3 DAYS of the scheduled match.

Any match that is postponed by a team will be treated as an invalid postponement until all the provided documentation has been reviewed and the League is satisfied that all efforts have been made to play the match. Do not assume a postponement is valid until you hear from the League. Depending on the actions of the manager, the submitted paperwork and the reasons given, invalid postponements can invoke fines and also games being awarded.

In addition to sending this form Clubs must comply with Rule 10(f). Failure to complete this form correctly or to submit it late may result in a fine/s as per schedule of charges.
